Please note that lighting fires, cooking or personal barbecuing is prohibited.

Pictures of your child's bunk and division will be available for ordering.

Food & light refreshments will be available for purchase.

We encourage you to speak to our staff about the progress and development your child has experienced at Camp Moshava. Division Heads, the Head Counselor and the Director can be found in the area near the Head Counselor's office. All counselors are required to be in front or around your child's bunk from 11:00 A.M. - 1:00 P.M. After that, they will inform their Division Head of their location in camp so that you will be easily able to find them.
